

## Global Mental Health Resources

The following resources cover global health and global mental health subjects, including education, research, practice, and priorities.

### EDUCATION AND TRAINING

---

- 21<sup>st</sup> Century Global Mental Health.** Sorel, E. (2013). Boston: Jones & Bartlett Learning.
- Essentials of Global Mental Health.** Okpaku, S.O. (2014). Cambridge University Press, United Kingdom.
- From science to action: The Lancet Series on Global Mental Health.** Patel, V and Sartorius, N. (2008). *Current Opinion in Psychiatry*.
- Global Mental Health.** Wainberg, M.L., Lu, F., and Riba, M. B. (2016). *Academic Psychiatry*. 40:647-649.
- Global Mental Health: Five Areas for Value-Driven Training Innovation.** Kohrt, B., Marienfeld, C., Panter-Brick, A. Tsai, and Wainberg, M. (2016). *Academic Psychiatry*. 40: 650.
- Global Mental Health: Principles and Practice.** Patel, V., Minas, I. H., Cohen, A., et al. (2013). Oxford University Publishing, United Kingdom.
- Global Health Training in U.S. Graduate Psychiatric Education.** Tsai, A.C., Fricchione, G.L., Walensky, R.P. et al. (2014). *Academic Psychiatry*, 38: 426.
- Including International Medical Graduates in Global Mental Health Training.** Acharya, B. and Hirachan, S. (2016). *Academic Psychiatry*.
- Opportunities and Challenges of Global Mental Health.** Balon, R., Beresin, E., Brenner, A., Coverdale, J., Guerrero, A., Louie, A., and Roberts, L. (2016). *Academic Psychiatry*.
- Teaching “Global Mental Health:” Psychiatry Residency Directors’ Attitudes and Practices Regarding International Opportunities for Psychiatry Residents.** Belkin, G.S., Yusim, A., Anbarasan, D. et al. (2011). *Academic Psychiatry*, 35: 400.
- The Problem with Education in Global Mental Health.** Datta, V. (2016). *Academic Psychiatry*.
- U.S. medical specialty global health training and the global burden of disease.** Kerry, V. B., Walensky, R. P., Tsai, A. C., et al. (2013). *Journal of Global Health*, 3(2), 020406.
- What Is the Role of Academic Departments of Psychiatry in Advancing Global Mental Health?** Khan, C., Louie, A., Reicherter, D., and Roberts, L. (2016). *Academic Psychiatry*.

### MODEL CURRICULUMS

---

- Bridging Cultural Psychiatry and Global Mental Health: A Resident-Led Initiative.** Lam, J., Gajara, A., Matthews, D., and Zaheer, J. (2016). *Academic Psychiatry*.
- Considerations of Ethics While Allowing Flexibility for Trainees: The Model and The Rationale for the Model of the Yale Global Mental Health Program.** Marienfeld, C. (2016). *Academic Psychiatry*.
- Massachusetts General Hospital Global Psychiatric Clinical Research Training Program: A New Fellowship in Global Mental Health.** Magidson, J., Stevenson, A., Ng, L., Hock, R., Borba, C., Namey, L., Carney, J., Joska, J., Kagee, A., Fekadu, A., Bangsberg, D., Safren, S., Fricchione, G., and Henderson, D. (2016). *Academic Psychiatry*.
- Teaching Psychiatry on the Global Scene: The Cornell University Experience.** Kronfol, Z., Al-Amin, H., Haddad, N., Streletz, L., Elliott, J., and Marzuk, P. (2016). *Academic Psychiatry*.
- Training Psychiatrists for Global Mental Health: Cultural Psychiatry, Collaborative Inquiry, and Ethics of Alterity.** Griffith, J., Kohrt, B., Dyer, A., Polatin, P., Morse, M., Jabr, S., Abdeen, S., Gaby, L., Jindal, A., and Khin Khin, E. (2016). *Academic Psychiatry*.

### RESEARCH

---

- Building a Global Mental Health Research Workforce: Perspectives from the National Institute of Mental Health.** Collins, P. and Pringle, B. (2016). *Academic Psychiatry*
- Building Research Capacity Across and Within Low- and Middle-Income Countries: The Collaborative Hubs for International Research on Mental Health.** Pilowsky, D., Rojas, G., Price, L., Appiah-Poku, J., Razzaque, B., Sharma, M., Schneider, M., Seedat, S., Bonini, B., Gureje, O., Kola, L., Lund, C., Sorsdahl, K., Araya, R., and Menezes, P. (2016). *Academic Psychiatry*

- Mental Health Research in the Global Era: Training the Next Generation.** Sweetland, A., Oquendo, M., Carlson, C., Magidson, J., and Wainberg, M. (2016). *Academic Psychiatry*
- Proposed Training Areas for Global Mental Health Researchers.** Ng, L., Magidson, J., Hock, R., Joska, J., Fekadu, A., Hanlon, C., Galler, J., Safren, S., Borba, C., Fricchione, G., and Henderson, D. (2016). *Academic Psychiatry*.

## PRACTICE AND PROGRAMS

---

- A Guide to Global Mental Health Practice: Seeing the Unseen.** Katz, C. L., Schuetz-Mueller, J. (2015). Routledge Publishing, London.
- Companion to Primary Care Mental Health.** Ivbijaro, G. (2012). Wonca and Radcliffe Publishing Company.
- Mental health and psychosocial support in humanitarian settings: linking practice and research.** Tol, W.A., Barbui, C., Galappatti, A. et al. (2011). *Lancet*.
- Non-specialist health worker interventions for the care of mental, neurological and substance-abuse disorders in low- and middle-income countries.** van Ginneken, N., Tharyan, P., Lewin, S. et al. (2013). *Cochrane Database System Rev*.
- The relationship between the duration of untreated psychosis and outcome in low- and middle- income countries.** Farooq, S., Large, M., Niessen, O., and Waheed, W. (2009). *Schizophrenia Research*.

### mhGAP

- Mental Health Gap Action Programme: scaling up care for mental, neurological, and substance use disorders.** World Health Organization. (2008). World Health Organization, Geneva.
- mhGAP intervention guide for mental, neurological and substance use disorders in non-specialized health settings: mental health Gap Action Programme (mhGAP).** World Health Organization. (2010). World Health Organization, Geneva.
- Treatment and prevention of mental disorders in low-income and middle-income countries.** Patel, V., Araya, R., Chatterjee, S. et al. (2007). *Lancet*.

### Schizophrenia

- Effectiveness of a community-based intervention for people with schizophrenia and their caregivers in India (COPSI): a randomised controlled trial.** Chatterjee, S., Naik, S., John, S. et al. (2014). *Lancet*.
- Packages of care for schizophrenia in low- and middle-income countries.** Mari, J.J., Razzouk, D., Thara, R., Eaton, J., and Thornicroft, G. *PLoS Med*. 2009.
- Schizophrenia treatment adherence in resource poor setting: randomised controlled trial of supervised treatment in outpatients for schizophrenia (STOPS).** Farooq, S., Nazar, Z., Irfan, M. et al. (2011). *British Journal of Psychiatry*.
- Schizophrenia treatment in the developing world: an interregional and multinational cost-effectiveness analysis.** Chisholm, D., Gureje, O., Saldivia, S. et al. (2008). *Bull World Health Organization*.

## POPULATIONS AND CULTURES

---

- Global Mental Health: Anthropological Perspectives.** Kohrt, B. and Mendenhall, E. (2015). Routledge.
- Global mental health: a failure of humanity.** Kleinman, A. (2009). *Lancet*.
- Growing pains: mental health care in a developing China.** Chang, D. and Kleinman, A. (2002). *The Yale-China Health Journal*.
- Poverty and mental disorders: breaking the cycle in low-income and middle-income countries.** Lund, C., De Silva, M., Plagerson, S. et al. *Lancet*. 2011.
- The Globalization of the American Psyche.** Watters, E. (2011). Free Press.
- Palgrave Handbook of Sociocultural Perspectives on Global Mental Health Practices.** Alonso, J. et al. (2013). Cambridge University Press.

## HUMAN RIGHTS

---

- Beyond evidence: the moral case for international mental health.** Patel, V, Saraceno, B, and Kleinman, A. (2006). *American Journal of Psychiatry*.
- Decolonizing Global Mental Health: The Psychiatrization of the Majority World.** Mills, C. (2013). Routledge.
- Human rights violations of people with mental and psychosocial disabilities: an unresolved global crisis.** Drew, N., Funk, M., Tang, S. et al. (2011). *Lancet*.

## COSTS AND ECONOMICS

---

- ❑ **Choosing cost-effective interventions in psychiatry: results from the CHOICE programme of the World Health Organization.** Chisholm, D. (2005). *World Psychiatry*.
- ❑ **Making Mental Health Count: The Social and Economic Costs of Neglecting Mental Health Care.** Organisation for Economic Co-operation and Development (OECD). (2014). OECD Publishing, Paris.
- ❑ **Relationship between gross domestic product and duration of untreated psychosis in low- and middle-income countries.** Large, M., Farooq, S., Nielssen, O., and Slade, T. (2008). *British Journal of Psychiatry*.
- ❑ **Resources for mental health: scarcity, inequity, and inefficiency.** Saxena, S., Thornicroft, G., Knapp, M., and Whiteford, H. (2007). *Lancet*.
- ❑ **Results Report 2015.** The Global Fund. (2015). The Global Fund to Fight AIDS, Tuberculosis and Malaria.
- ❑ **The Global Economic Burden of Noncommunicable Diseases.** Bloom, D.E., Cafiero, E.T., Jané-Llopis, E., et al. (2011). Geneva: World Economic Forum.

## SYSTEMS AND SERVICES

---

- ❑ **Barriers to improvement of mental health services in low-income and middle-income countries.** Saraceno, B., van Ommeren, M., Batniji, R. et al. (2007). *Lancet*.
- ❑ **Mental health systems in countries: where are we now?** Jacob, K.S., Sharan, P., Mirza, I. et al. (2007). *Lancet*.
- ❑ **Scaling up services for mental disorders—a call for action.** Lancet Global Mental Health Group (2007). *Lancet*.
- ❑ **Scale up of services for mental health in low-income and middle-income countries.** Eaton, J., McCay, L., Semrau, M. et al. (2011). *Lancet*.

## STRATEGIC PRIORITIES

---

- ❑ **Atlas of Mental Health Resources in the World, 2001.** World Health Organization. (2001). World Health Organization, Geneva.
- ❑ **Child and adolescent mental health worldwide: evidence for action.** Kieling, C., Baker-Henningham, H., Belfer, M. et al. (2011). *Lancet*.
- ❑ **Global Burden of Disease: 2004 Update.** World Health Organization. (2008). World Health Organization, Geneva
- ❑ **Global burden of disease attributable to mental and substance use disorders: findings from the Global Burden of Disease Study 2010.** Whiteford, H.A., Degenhardt, L., Rehm, J. et al. (2013). *Lancet*.
- ❑ **Grand challenges in global mental health.** Collins, P.Y., Patel, V., Joestl, S.S. et al. (2011). *Nature*.
- ❑ **Human resources for mental health care: current situation and strategies for action.** Kakuma, R, Minas, H, van Ginneken, N et al. (2011). *Lancet*.
- ❑ **No health without mental health.** Prince, M., Patel, V., Saxena, S. et al. (2007). *Lancet*.
- ❑ **Opportunities and Challenges of Global Mental Health.** Balon, R., Beresin, E.V., Brenner, A.M., et al. (2016). *Academic Psychiatry*, 40: 643-646.
- ❑ **Reducing the treatment gap for mental disorders: a WPA survey.** Patel, V., Maj, M., Flisher, A.J. et al. (2010). *World Psychiatry*.
- ❑ **The Burdens of Mental Disorders: Global Perspectives from the WHO World Mental Health Surveys.** Alonso, J. et al. (2013). Cambridge University Press.
- ❑ **The movement for global mental health.** Patel, V., Collins, P.Y., Copeland, J. et al. (2011). *British Journal of Psychiatry*.
- ❑ **World Health Report—Mental Health: New Understanding, New Hope.** World Health Organization. (2001). World Health Organization, Geneva.
- ❑ **World Mental Health: Problems and Priorities in Low-Income Countries.** Desjarlais, R, Eisenberg, L, Good, B, and Kleinman, A. (1995). Oxford University Press, New York.
