

**Important Hotel Reservation Information:** onPeak is the only official hotel provider associated with 2017 Annual Meeting. Official hotels near our event have been specially selected for your stay in San Diego and provided to you at exclusive discounted rates.

Although doing a search of the internet for the APA meeting may bring up other sites that appear to be official APA sites, hotel reservations made using links from any site other than those found on APA's [psychiatry.org/annualmeeting](http://psychiatry.org/annualmeeting) site can put you at risk. Using companies other than onPeak to make hotel reservations can be risky: tradeshows are often targeted by companies who can put you at risk. In the past, participants have encountered situations with travel vendors that were either unlicensed or went out of business after taking reservations and deposits, leaving individuals stranded without hotel rooms and transportation, and resulting in lost deposits.

Visit the official reservation site of the 2017 Annual Meeting to secure your worry-free reservation with onPeak.
