

URAC-CERTIFIED TELEHEALTH SERVICES FROM LOCUMTENENS.COM

As a decade-long leader in telehealth implementation in healthcare facilities across the U.S., we are proud to be the FIRST staffing company to have met the URAC certification performance standards for Telemedicine Support Services. Achieving this prestigious status demonstrates our commitment to quality care, enhanced processes, patient safety and improved outcomes.

URAC, the independent leader in promoting health care quality and patient safety through renowned accreditation programs, built the Telehealth Support Services Certification to highlight the outstanding work of organizations on the cutting-edge of technology in healthcare.

KNOW BETTER EXPERIENCE.

Since 1995 we've used our experience to
provide a superior experience to our clients.

The need has never been greater to connect great clinicians and great healthcare facilities.

That's what we do. Every day.

LocumTenens.com is your full-service locum tenens agency. We connect clients and clinicians to take care of patients.

How do we do it?

By doing it better than everyone else.

Our mantra is simple. We work hard and take care of people. When you work with us, it is our goal to make your locum tenens experience hassle free.

When you're looking for locum tenens coverage, our experienced agents have the specialized knowledge and personal relationships to take care of you and your search.

In a complex healthcare market, in an era of increased choice and competition, join the team that works for you.

We know better connections.
We know better service.
We know better care.
Know better experience.

“ All of my experiences working with LocumTenens.com have been outstanding. The staff is phenomenal; I know I can count on LocumTenens.com.”

Flexible Staffing Model

Need 1.5 physicians at your facility? We'll use a combination of telemedicine and on-site physicians to cover your needs. Let us work with you to come up with a flexible plan that meets your ever-changing needs.

On-Boarding Program

We work with clients to complete an on-boarding package for the providers to make the orientation process run as smoothly as possible, so the provider is ready to see patients sooner.

In-House CVO with NCQA Standards

We verify each candidate's education, training, experience and medical licensure, including background checks from the AMA and the Federation of State Medical Boards.

Billing and Enrollment

We have partnerships with experts to assist you questions and concerns.

Metrics and Feedback

We conduct feedback surveys and have ability to report back to our clients through our Client Scorecard program.

Job Board for the Industry

In order to provide clients and physicians with as many options as possible, LocumTenens.com operates a do-it-yourself job board where you can post jobs at no charge.

SERVICES.

Our goal is to provide the
right services to make your
locum tenens experience
hassle free.

Dedicated Agents by Specialty

Our agents know your specialty. We know that placing an internist is very different from placing an anesthesiologist. Our agents learn the ins and outs of their specialty to best serve you.

Telehealth Solution

Our telehealth division sources top clinicians with excellent tele presence to treat your patients. Our optimized workflows are custom built by our in-house telehealth clinician to match your requirements. Our robust technology team will source equipment or work with your technology.

Staffing Management

Select accounts may qualify for a dedicated account manager who will leverage our agency partnerships to fill your needs.

“ LocumTenens.com
handled everything
including credentialing,
housing, travel, logistics,
expertly and with no issues
or concerns.”

LocumTenens.com is also the operator of the largest, most-visited online job board for the locum tenens industry, providing direct access to thousands of jobs, in all specialties, nationwide. Having 85,000 active users gives us the resources to find the highest-qualified candidates and get them working faster than other agencies.

We staff physicians CRNAs and advanced practitioners in over 60 specialties who deliver care to more than seven million patients in over 2,400 healthcare facilities in the U.S. We are a Jackson Healthcare company, one of the largest healthcare staffing and technology companies in the U.S.

“ LocumTenens.com consistently meets each challenge with the same intensity as I have; we make a perfect match. After years of forming relationships, I know I can count on my team at LocumTenens.com to create a perfect team of healthcare professionals.”

Manager, Medical Facility

Almost a decade ago, LocumTenens.com made corporate social responsibility a part of our strategic business platform and consider it an important KPI in the measure of our success. We believe making an impact globally and right here in our community is an essential component of what makes the company and our associates successful.

Our associates are empowered with paid time off to serve the organizations of their choosing as well as the opportunity to travel and serve on medical missions in developing countries with inadequate healthcare. Additionally, we support dozens of local charities through corporate funding and associate volunteerism.

Our Projects

MedicalMissions.org connects over 10,000 medical professionals and over 200 not-for-profit organizations seeking medical volunteers to help underserved patients in 217 countries.

medicalmissions.org

Connecting Kids With Care works to provide orphans and other underserved people with better access to quality healthcare through volunteer medical professionals using our telemedicine solution. In the past two years, we have reached more than two thousand children across more than fifteen medical specialties.
