The exhibits are an integral part of the IPS educational program. Exhibit hours encourage daily visits to the Exhibit Hall, where you will find a large array of professional opportunities and resources. Meet representatives from pharmaceutical companies, computer software providers, book publishers, recruitment firms, and other suppliers of mental health-related products and services. Additionally, you’ll have the chance to participate in daily prize drawings and enjoy free food and beverages while networking with colleagues.

Requests for the *Exhibitor Prospectus* or inquiries regarding commercial or educational exhibits should be directed to:

Vernetta Copeland  
Associate Director  
Meetings and Conventions Department  
Phone: 703-907-7382 • Fax: 703-907-1097  
Email: vcopeland@psych.org

On July 5, the *Exhibitor Prospectus* will be available online at psychiatry.org/ips.

Sunshine Act

The Physician Payments Sunshine Act is a federal law requiring pharmaceutical and device manufacturers, under certain circumstances, to publicly report any complimentary gift, food, beverage, non-CME-certified education or other items of value given to physicians. Some of the food, product theaters and trinkets that may be available to you at this meeting have been sponsored by companies that may be required to report your receipt of that gift. The APA recommends that you ask the person providing the complimentary items if your name will be reported under the Act before accepting complimentary products or food so you can make an independent and educated decision to accept or not accept it.

Conference Objectives
At the conclusion of the 2016 IPS: The Mental Health Services Conference, participants will be able to:
1. Identify and improve mental health disparities in the community.
2. Demonstrate and apply new skills that will be useful in public psychiatry settings.
3. Examine how the current health care system affects patient care.
4. Describe how to transform systems of care.
5. Recognize how to bring new innovations into a variety of treatments to improve patient care.

Target Audience
IPS: The Mental Health Services Conference is designed for psychiatrists, primary care and other physicians, medical students and residents, nurses, physician assistants, psychologists, addiction counselors, social workers, medical educators, administrators and policy makers, public health researchers, consumers, and family members.

Continuing Medical Education for Physicians
Accreditation/Designation:
• The American Psychiatric Association (APA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
• The APA designates this live activity for a maximum of 28 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
• CME credit is earned on an hour-for-hour basis for most sessions in the scientific program. Most sessions provide AMA PRA Category 1 Credit™; check final program for clarification.

Disclosure Statement
All faculty and program planners participating in continuing education activities sponsored by the American Psychiatric Association and Drexel University College of Medicine are required to disclose to the audience whether they have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

Courses are designed so that attendees will be able to master new material in depth. The courses offer practical learning experiences that actively involve attendees and include the opportunity for informal exchange with faculty. Offered in four-, six- or eight-hour sessions, courses either review basic concepts in a specialized subject area or offer advanced material on a circumscribed topic. Courses require an additional ticket purchase; Special Training Sessions are free to conference attendees.

Cancellation Fees and Refunds
All registration and/or course cancellation requests must be received in writing by the APA registrar (703-907-1097 fax or registration@psych.org) by September 15, 2016. A confirmation will be sent once the request has been processed. The registration fee will be refunded in the manner in which it was received. The APA refund policy and cancellation fees are as follows:

Until August 4, 2016: Full refund
August 5 – September 15, 2016: Refund less the cancellation fee equal to 25% of total amount paid
After September 15, 2016: No refunds

Changing a Registrant or Misspelled Name
To change a registrant name, email the APA registrar at registration@psych.org with the full contact information of the new attendee with the badge number of the existing attendee. To correct a spelling, send an email with the correction and the badge number to registration@psych.org.

Confirmation
If you do not receive registration and/or course enrollment confirmation within two weeks of registering, contact the APA registrar at registration@psych.org.

Mailed and Faxed Registration Forms
To register by fax or mail please request a copy of the form by emailing registration@psych.org or calling 703-907-7830. Allow 7-10 business days for mailed registration forms to be received and processed by the APA. In order to be eligible for the current rate period, mailed and faxed forms must be received one week prior to the current rate period deadline. Mailed forms and payment should be sent to American Psychiatric Association, IPS Meeting Registration, 1000 Wilson Boulevard, Suite 1825, Arlington, VA 22209. Faxed forms should be sent to 703-907-1097. Mailed and faxed forms will not be accepted after September 15, 2016.

Payment
The APA only accepts VISA, MasterCard, American Express, Discover, money order or a check (in U.S. funds only) payable to the American Psychiatric Association. The APA does not accept bank or wire transfers. Registrations will not be processed without proper payment.
Nonmember Non-Physician Provisional Registration

The APA welcomes non-physicians, including mental health chaplains, social workers, non-medical students, nurses and physician assistants, to attend IPS: The Mental Health Services Conference. These registrations are considered provisional until status verification is received. To confirm your registration, a copy of your valid student ID or license, a letter from your institution or organization verifying employment or membership, or a copy of your certification letter must be submitted with your registration form or received within seven (7) days of your online registration at registration@psych.org. If your verification is not received in time period, your registration will be canceled with no refund.

Course-Only Registration

Course-only registration is available to attendees wishing to only register and participate in courses. Eligible course-only registrants must be an M.D., R.N. or P.A. If you are not an M.D., R.N. or P.A. and wish to take a course, you will need to register for the meeting and the desired course. Please note that course-only registrations are not a meeting registration and will only allow entrance into the course(s) you have registered for.

Travel Visa

We strongly recommend beginning the visa application process immediately. For further information, visit the State Department website at cbp.gov/travel/international-visitors. We encourage you to take advantage of the Electronic System of Travel Authorization to complete the visa process (https://esta.cbp.dhs.gov).

Onsite Check-In and Registration
