Save \$20 on your first uberPOOL ride in New York City

UberPOOL is the innovative carpool option from Uber, the smartphone app that connects riders and drivers at the tap of a button. You'll be matched with people riding along a similar route and get to your destination quickly at a fraction of the price of a New York City taxi. An uberPOOL match guarantees a cheaper fare, and adds only a few minutes to your trip.

1. Sign up at [uber.com/go/NYCGOPOOL](https://uber.com/go/NYCGOPOOL) or login to your existing account and enter the promo code **NYCGOPOOL** in the Promotions section of the app.
2. Select the uberPOOL option at the bottom of the app on the slider.
3. Request and ride—you may be matched with another rider traveling along a similar route.
