

DSM-5 Collection Translation Publishers

Translations for the DSM-5 collection are currently underway in 18 languages, including Chinese (Classical and Simplified), Croatian, Czech, Danish, Dutch, French, German, Greek, Hungarian, Italian, Japanese, Korean, Portuguese (Brazil & Portugal), Romanian, Serbian, Spanish, Swedish, and Turkish. A full list of languages, publishers, and products is included below.

The products that are currently available are marked as “published,” and the products that will become available within the next three months are marked as “coming soon.” Please contact the corresponding publisher to purchase the published titles or to inquire about the future publication timeline.
