

Position Statement on Somatic Cell Nuclear Transfer (SCNT) Research

Approved by the Board of Trustees, December 2013

Approved by the Assembly, November 2013

"Policy documents are approved by the APA Assembly and Board of Trustees...These are...position statements that define APA official policy on specific subjects..." – *APA Operations Manual*.

The American Psychiatric Association supports stem cell research, including the use of somatic cell nuclear transfer (SCNT) for therapeutic, but not reproductive purposes.

See the related APA resource document [HERE](#).
