The intended audience for the program is healthcare professionals involved in the treatment of adult patients with agitation associated with Alzheimer's dementia.

This program is sponsored by Otsuka America Pharmaceutical, Inc. (Otsuka) and Lundbeck.

In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this program is limited to only HCPs (physicians, nurse practitioners, physician assistants, registered nurses, clinical pharmacists, and social workers). Accordingly, attendance by guests or spouses is not permitted. No CME credits are offered for this program. This program may include the provision of a modest meal. Otsuka does not offer such a meal to HCPs whose institutions prohibit such hospitality, nor does Otsuka offer a meal where federal or state laws (eg, Vermont and Minnesota) limit an HCP's ability to accept such a meal. Accordingly, please consult your legal or ethics advisor regarding any applicable limitation before attending this program. If you are licensed to practice in a state where meals are either prohibited and/or restricted and you accept a meal, you understand that you will be required to reimburse Otsuka for the cost of this meal. Please note that Otsuka is required to report the value of a provided meal pursuant to applicable federal and/or state laws.
