

Warning! Important Hotel Reservation Information: onPeak is the only official hotel provider associated with the Annual Meeting. Official hotels near our event have been specially selected for your stay in San Francisco and provided to you at exclusive discounted rates.

Please beware of companies, that are not onPeak, that are posing as official travel vendors for the 2023 Annual Meeting. They are NOT affiliated with our event in any capacity and entering into financial agreements with such companies can have costly consequences. They may require that rooms be fully prepaid; that charges are non-refundable and/or be subject to steep change fees; and room types may not be guaranteed.

Unofficial vendors cannot provide the same benefits and protection onPeak offers. The APA only guarantees hotel room rates or availability during the show dates for reservations made through onPeak, the official hotel provider.

Hotel reservations made outside of the official 2023 Annual Meeting hotel block can be risky: tradeshow are often uniquely targeted by companies who can put you at risk. In the past, participants have encountered situations with travel vendors that were either unlicensed or went out of business after taking reservations and deposits, leaving individuals stranded without hotel rooms and transportation, and resulting in lost deposits.

Please do not become a victim of these companies and their scams. If you do choose to book with a vendor not endorsed by the 2023 Annual Meeting, we strongly encourage you to verify their credentials before doing business with them, and then independently confirm that your reservations have in fact been made and will be honored by directly contacting your chosen hotel, airline and/or rental car company.
