

## Therapeutic Update

The Therapeutic Update is an informational program held as an extension of the Exhibit Hall. It features a presentation by thought leaders in therapeutic areas. CME credit is not provided. Attendees must be registered for the Annual Meeting, and the meeting badge is required for admittance. The information presented does not represent any endorsement by the American Psychiatric Association of any company or product.

*Therapeutic Updates are covered by the Physician Payment Sunshine Act and physicians attending will be required to provide their identifying information for public reports.*
